

Acknowledgement of Service and Condolence

It is with great sadness that we acknowledge the passing of an Uncle, a highly respected Aboriginal Elder and valued member of the Coraki, Casino and Grafton communities.

Uncle dedicated much of his life to supporting and uplifting others. As an Official Visitor, he provided guidance, cultural support, and encouragement to people in custody, always approaching his work with compassion, respect and integrity. His commitment to improving the lives of others extended beyond custodial settings and into the broader community, where he was widely recognised for his generosity, leadership and unwavering support of young people.

Uncle cultural strength, wisdom and deep knowledge were highly valued by the Inspector of Custodial Services. He shared his knowledge freely, helping others to develop a greater understanding and appreciation of Aboriginal culture, community and connection. His advice and insight were respected by colleagues, community members and those whose lives he touched through his work.

His legacy will live on through the many people he supported, mentored and inspired. He will be remembered for his dedication to community, his advocacy for Aboriginal people, and his commitment to creating positive pathways for young people and those in custody.

On behalf of the Inspector of Custodial Services, we extend our sincere condolences to Uncle's family, friends and the communities of Coraki, Casino and Grafton. We acknowledge his significant contribution and thank him for the lasting impact he made on so many lives.
