

## **Announcement of inspection of Junee Correctional Centre**

The Inspector of Custodial Services will carry out an inspection of Junee Correctional Centre in 2022.

Junee Correctional Centre is a large, complex correctional centre located at Junee, in the Riverina region of New South Wales, Australia. The centre is a reception centre for the local area, and accommodates minimum, medium and maximum sentenced adult males. A new 480 maximum security section at Junee Correctional Centre opened in 2019, bringing the total capacity of the centre to 1,270. The new expansion included a female transition unit, providing short-term accommodation for women in transit to women's centres within NSW.

Junee Correctional Centre has been privately managed by the GEO Group Australia on behalf of Corrective Services NSW and NSW Justice Health since the centre was opened in 1993.

Relevant standards, legislation, policies and procedures will inform the inspection, with the following focus areas:

- Custody
- Care and wellbeing
- Rehabilitation
- Reparation
- Resources and systems

The Inspector of Custodial Service may also consider any other relevant matters that arise during the course of this inspection, including contract management and monitoring by Corrective Services NSW.
